3. COOKIES AND SIMILAR TECHNOLOGIES ON OUR WEBSITES

Our website uses cookies to collect information about individuals who visit our website. Cookies are small text files that are stored on your computer or other device. Cookies ensure our website functions correctly and provide important features and ensure the security of our page. They also help us to understand how our website is being used. We use cookies for analytical purposes for example to track and monitor what country, what pages and what method was used to visit our website as well as how you navigate on our website. Cookies are used as well for purposes of website's personalization and browsing experience optimisation. Additionally, cookies help us deliver online advertising that we believe is most relevant to you. Cookies are also used for profiling. Cookies can tell us if you have seen a specific advert, and how long it has been since you have seen it. This information allows us to measure the effectiveness of our online advertising campaigns and control the number of times you are shown an advert.

When you visit our website, you are informed through a cookie banner that we collect cookies and you may manage the types of cookies that you allow to be dropped on your device. After choosing whether you consent to our cookies or not, you can change the settings and withdraw your consent at any time via our website in the section <https://exponea.com/legal/control-your-data/>.

We use the following types of cookies: (i) essential cookies, which are essential for transmission of communication and proper functioning of our website's targeting and for the provision of services explicitly requested by you; and (ii) analytical and advertising cookies, which help make advertisements more relevant to visitors of our website. Essential cookies cannot be disabled as they are essential for the functioning of our website. If you do not consent to the use of analytical and advertising cookies, the functionality of our website may be limited. When analytical cookies are collected we process personal data such as (IP) address, gender, time zone setting, operating system and platform, information about visits including the URL, the search terms, information about what you viewed or searched on our website, page response times, download errors, length of visits to certain pages, page interaction information, (such as scrolling, clicks, and mouse-overs) and the methods used to browse away from the page, activities of users, browsing web pages.

When we collect essential cookies the legal ground for processing of this data is Article 6 (1) f) GDPR, **legitimate interest**. When we collect analytical and advertising cookies we only do so once you have given us your **consent** in

accordance with Article 6 (1) a) GDPR that is the legal ground for such processing. You can withdraw your consent to analytical and advertising cookies at any time via our website in the section <https://exponea.com/legal/control-your-data/>.

Our Services and/or websites and the communications generated from using and/or registering for our Services and/or platform, such as promotional emails, may contain electronic images known as “web beacons”. Web beacons generally work in conjunction with cookies, and we may use them in the same way we use cookies.

We use Hotjar on our website and in the Exponea application in order to better understand our users’ needs and to optimize our services and user experience. Hotjar is a technology service that helps us better understand our users’ experience (e.g. how much time they spend on what pages, what links they choose to click, what users do and don’t like, etc.) and this enables us to build and maintain our service with user feedback. Hotjar uses cookies and other technologies to collect data on our users’ behavior and their devices. This includes a device's IP address (processed during your session and stored in a de-identified form), device screen size, device type (unique device identifiers), browser information, geographic location (country only), and the preferred language used to display our website. Hotjar stores this information on our behalf in a pseudonymized user profile. Hotjar is contractually forbidden to sell any of the data collected on our behalf. The legal ground for processing this data is **consent** according to Article 6 (1) a) GDPR. If you wish to withdraw your consent to in-app Hotjar tracking, you are able to do so in the Exponea application under Settings.

You can withdraw your consent to Hotjar tracking on our website at any time via our website in the section <https://exponea.com/legal/control-your-data/>.

Disabling cookies

If you wish cookies not to be collected, you may restrict, block or delete the cookies, including blocking all third-party cookies at any time by modifying your browser configuration. Although each browser is parameterized differently, cookie configuration is normally located on the “Preferences” or “Tools” menu. If you turn off cookies, the functionality of our website may be limited (in the case of essential cookies you may not be able to access our website).

If you wish to prevent new cookies from being installed or if you wish to delete existing cookies you can find the instructions on the links below. The exact procedure depends on which browser you are using.

a) Internet Explorer

For mobile devices you can limit tracking via the privacy setting on your device (disabling the advertising identifier), for instructions please see <https://www.networkadvertising.org/mobile-choice/>

Furthermore you can use a third party tool to opt out from targeted advertising, available third-party opt-out tools include the [Digital Advertising Alliance](#), the [Network Advertising Initiative](#), and the [European Interactive Digital Advertising Alliance](#) (Europe only).

To opt out from receiving cross-device site advertising (i.e. tracking a user across devices) you can access your device settings or visit and employ the controls described on the [NAI's Mobile Choices page](#).

4. THIRD PARTY WEBSITES

4.1. **Our website may contain links** (which may take the form of hyperlinks, widgets, clickable logos, images or banners) **to and from third party websites**. If you follow a link to any of these websites, please note that these websites have their own privacy policies and that we do not accept any responsibility or liability for their policies. We strongly recommend that you read their privacy policies and terms and conditions of use to understand how they collect, use, and share information. We are not responsible for the privacy practices or the content on the websites of third-party sites.

4.2. Exponea is currently using so-called social plugins from the following social networks: (i) facebook.com, (ii) twitter.com, (iii) linkedin.com (iv) plus.google.com (v) instagram.com ("plugins"), which are indicated by their logos on our website. When you visit our website, your browser establishes a direct connection with the servers on which these plugins run. The content of the plugins is transferred directly by Facebook/Twitter/LinkedIn/Google/Instagram to your browser, which then integrates it into our website. Integration of the plugins causes

Facebook/Twitter/LinkedIn/Google/Instagram to receive the information that you have accessed on the corresponding page of Exponea website. If you are logged with Facebook/Twitter/LinkedIn/Google/Instagram, it will be able to assign your visit to your account on these social networks. Please note that an exchange of this information already takes place when you visit our website regardless of whether you interact with the plugin or not. If you do not want Facebook/Twitter/LinkedIn/Google/Instagram to gather data about you via our website, you must log out of them before visiting Exponea website. For more information regarding how these social networks process your data in their privacy policies:

- e) Google: <https://www.google.com/intl/en-GB/policies/privacy/>

4.3. We use Google Analytics and similar services (e.g. LinkedIn Analytics) that collect **third-party cookies**. The information about your use of the websites (including your IP address) generated by the cookies will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties where required to do so by law or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however, please note that if you do this you may not have full functionality of this website. By using our websites, you acknowledge that Google may process data in the manner and for the purposes set out above. Please see further Google policies at: <http://www.google.com/intl/en/policies/technologies/ads/>.

4.4. We use Rollworks through which we collect hashed identifiers derived from email addresses for the purposes of cross-device tracking for targeted advertising. Further information can be found in NextRoll's Privacy Notice <https://www.nextroll.com/privacy>.

4.5. We also use **advertisement systems** (i.e. Google Marketing Platform, Google Ads, LinkedIn Ads, Twitter Advertising, Facebook Custom Audience, Google Dynamic Remarketing, Facebook Pixel, GA Audiences and Hubspot that collect third-party

cookies on our website. Cookies collected by these advertisement systems will be used by third parties for advertisement purposes. Exponea also uses other cookies trackers for the following purposes:

- 4.1.1.1. Hotjar (to record sessions of visitors on our site);
- 4.1.1.2. Google Tag Manager (to manage HTML/JS tags);
- 4.1.1.3. Leadfeeder, Infl2, Saleloft and G2Crowd (to find leads who would benefit from our services);
- 4.1.1.4. Exponea SDK (to track user's interaction with the website);
- 4.1.1.5. Marketo and Hubspot (to track who downloads our content);
- 4.1.1.6. Drift (to run our chatbot and collect insights into how our users navigate the website);
- 4.1.1.7. Intercom (our online chat function to ask questions about the Exponea application).

4.6. You may refuse the use of cookies by selecting the appropriate settings in the site's cookie banner. Please see section 3 for more details.

4.7. If you are a Customer, Exponea allows you to integrate your project with third-party systems. Integration is required for sending emails or retargeting through Facebook, Google and AdForm. By integrating with Google, Exponea will access, use, and store the data for the following purposes: (a) Exponea is using Sign-in with Google (OAuth), to provide sign-in functionality and user profile creation. Exponea is storing the following user data: user_id, email address, first_name and last_name, (b) Exponea uses Customer Match, where you can target your customers by matching them based on a hashed phone number, hashed email address, Google Analytics ID or mobile device ID (hashedEmail, hashedPhoneNumber, userId, mobileId), (c) Exponea uses data imports of Google Analytics IDs and dimension labels to set the value of custom dimensions to allow easy creation of Analytics audiences that can then be imported into Google Ads for further activation. For more information on how Google processes your personal data, please see Privacy Policy – Privacy & Terms – Google.

5. SHARING OF INFORMATION COLLECTED

5.1. Exponea will share your personal data with third parties only in the ways that are described in this Privacy policy. We use trusted third parties that act as our processors to provide services on our behalf. We use the following categories of processors:

- data centres, hosting

- marketing tools
 - tools for analytics and tracking
 - tools for running events, polls or surveys
 - business operations/management tools
 - task management and communication tools
- 5.2. Third parties that serve as subprocessors for the Exponea Application can be assessed here:
https://exponea.com/terms-of-service/list_of_sub-processors.pdf
- 5.3. Subject to the previous paragraphs, your personal data shall not be shared or provided to any other third party without your consent except for the following cases: (i) where Exponea is obliged to provide personal data by law or an order of public authority; or (ii) if personal data sharing is mandated by applicable law.
- 5.4. If third-party providers are established outside of the EU/EEA, Exponea shall ensure that it cooperates only with third-party providers that are located in countries that ensure adequate levels of protection based on the European Commission's adequacy decision, or that Exponea has entered into agreements with corresponding Standard Contractual Clauses that ensure adequate safeguards with respect to the protection of the privacy and fundamental rights and freedoms of individuals.

6. SECURITY

- 6.1. **Exponea is committed to store your data securely.** Therefore, we have implemented technical and organizational security measures in an effort to safeguard the personal information in our custody and control (which do not, however, deprive you of your duty to take proper steps to secure your data, particularly for the transmission of data to our Account). The aim is to eliminate unauthorised or unlawful processing of your personal data or the accidental, unauthorised or unlawful accessing, use, transferring, processing, copying, transmitting, alteration, loss or damage of your data. Despite all efforts to meet the rules set out in applicable legal regulations, it is not possible to ensure the security of your data if it is transferred or transmitted in an unsecured way. We will protect your data, including but not limited to, in the following ways: using security specified in our Security Commitment at <https://docs.exponea.com/docs/security-commitment>; using passwords or secured token protection, where necessary; and restricting access to you data (i.e. access to your personal data is granted only to those of our employees or contractors for whom the access is necessary).
- 6.2. While we endeavor to always protect our systems, website and information against unauthorized access, use, modification and disclosure, due to the inherent nature of the Internet as an open global communications vehicle and other risk factors, we

cannot guarantee that any information, during transmission or while stored on our systems, will be absolutely safe from intrusion by others, such as hackers.

7. DATA RETENTION

7.1. Generally personal data shall be kept for as long as necessary for the purpose for which it was processed. For how long Exponea will hold your personal data will as well depend on the legal basis on which your data is processed. Shall the processing be based on legitimate interest your data will be processed for as long as the given legitimate interest of Exponea is in place and shall be erased after. For data kept based on legal obligations the data retention period is prescribed by applicable legal regulations and shall be deleted once the legally prescribed time period lapses. For data processed based on performance of a contract the data is processed for the duration of the contractual relationship and for an applicable limitation period. This data is then erased after. Shall the processing be based on your consent your personal data shall be erased after you withdraw your consent. Please bear in mind that the same data may as well be processed based on other legal basis in which case your withdrawal of consent might not mean a full erasure of your data.

8. EXPONEA AS A DATA PROCESSOR

8.1. While using our Services, our Customers may be providing us with their clients' personal data. This data may include following: (IP) address, name, surname, gender, email address, login information, time zone setting, operating system and platform, information about visits including the URL, the search terms, information about what you viewed or searched on our website, page response times, download errors, length of visits to certain pages, page interaction information, (such as scrolling, clicks, and mouse-overs) and the methods used to browse away from the page, activities of users, browsing web pages.

8.2. Exponea analyzes our Customers' clients' personal data to build individual profiles. These profiles are used to predict future interests and display targeted (online) advertisement. The aim is to provide Customers' clients with offers that are relevant and interesting for them. The profiling is based on (surfing) behaviour of our Customers' clients on the Internet. Exponea does not make any decisions based solely on automated processing which produce legal effects concerning our Customers' clients or which significantly affect our Customers' clients. We conduct profiling solely for the purpose of providing them with more attractive offers for the purchase of goods and/or Services and customizing the content of websites according to our Customers' clients' preferences. Exponea processes this data as the Processor within the meaning of Article 4 (8) GDPR. The Customers have the

obligation to ensure that they have collected their clients' respective consents and approval in order to process such data in accordance with GDPR , other applicable data protection law and the General Terms and Conditions – Exponea Platform or Data Protection Addendum.

8.3. **Exponea Application.** Access to your Exponea Application is protected with username and password. You are responsible for maintaining the confidentiality of your credentials, and we strongly recommend that you do not disclose your username or password to anyone. We will never ask you for your password in any unsolicited communication. Please notify our Data Protection Officer immediately of any unauthorized use of your account credentials or any other suspected breach of security. You can find out more about how we process information about our Exponea application user's here: <https://docs.exponea.com/docs/app-data-processing-notice>.
